

Sélection de revues en libre accès total dans les domaines de l'agronomie et du développement

Cette liste a été élaborée à partir des revues dans lesquelles le Cirad a publié de 2008 à 2013. Cette liste a retenu les revues actives en juillet 2014 et non mentionnées comme revues potentiellement prédatrices par le site Scholarly Open Access <http://scholarlyoa.com/>.

La présence des revues dans le [Journal Citation Reports](#) (FI) et dans le [SCImago Journal and Country Rank](#) (SJR) est indiquée après chaque titre.

Les thèmes de classement ne sont pas exhaustifs et certaines revues peuvent aborder plusieurs thèmes.
